POLICE INVESTIGATE HOME INVASION ROBBERY

The Franconia Township Police Department responded to a home invasion-type robbery on the 100 block of Comice Court in the Pear Tree Village early Monday afternoon.

Officers learned that the elderly man who lives in the home with his family was confronted by two men when he answered his front door. One of the men held the elderly man at gunpoint and then bound his arms with a cord. While both of the intruders were ransacking the house, the victim was able to free himself and escape to the home of a neighbor.

Other neighbors reported that they saw the intruders leave the home immediately thereafter. They were described as black males who were driving a tan sedan.

The victim sustained minor injuries but did not require medical treatment. It is believed that the actors stole an undetermined amount of cash. However, the family and police investigators are conducting an inventory of the home to determine if any other items are missing.

Anyone who may have observed the men or the tan vehicle are urged to contact the police department at 215-723-6777.
