REGULAR MINUTES

BOARD OF SUPERVISORS

Chairman Grey R. Godshall called the Regular Meeting of the Board of Supervisors to order on Monday, November 17, 2025, at 6:00 p.m. at the Municipal Building, 671 Allentown Road, Telford, Pennsylvania 18969.

Present were Chairman Godshall, Supervisor David B. Fazio, Supervisor Robert Nice, Supervisor Charles Amuso and Supervisor Jill Halteman. Also, in attendance were Township Manager Jon A. Hammer, Township Solicitor Eric Wert, Esquire, Township Engineer Douglas C. Rossino, P.E. and interested residents of Franconia Township.

Prior to the start of the meeting the Board met in an executive session to discuss a matter of potential litigation.

OPEN MEETING TO THE PUBLIC

Chairman Godshall opened the meeting to the public. Ms. Maureen Kratz, resident of Lower Salford, addressed the Board regarding the Halteman Road gate at the high school. Chairman Godshall reported that in 2007 or so, during the land development, the School District only wanted one entrance and did not want to pay for road improvements for two. The Township saw the issues and wanted to help and in 2017 issued a letter after a mini traffic study with limited open morning times. The School District recently asked for a test to open the gate in the afternoon. Solicitor Wert added that the Halteman Road entrance was always on the plan as a secondary or emergency entrance as the School District wanted. Supervisor Amuso stated that the School Board at the time spent approximately 10 million dollars to rebuild Lower Road for the main entrance. The School Board did not want to improve Halteman Road as well. Ms. Kratz asked about the gate being locked, and Mr. Wert replied that the School District needs to submit a traffic study to determine what improvements would need to be done in order to open the gate.

Discussion took place about direction of turning in and out, the speed limit, truck access. Ms. Katie Pisoni, 398 Augusta Drive, raised concern about access for emergency vehicles. Mr. Rich Halteman, 585 Lower Road, stated that at the last School Board meeting the public was

told that this was the Township not allowing the gate to be open. Mr. Wert reported that there is nothing pending in front of the Board of Supervisors regarding this issue. Ms. Kelly Word, 108 Cobbler Court, asked for confirmation that the gate was approved to be open for special events and open in the a.m. Chairman Godshall reported that in 2017 the District got a traffic engineer to ok the opening for a.m. use and it was allowed to be open for a couple of special events such as graduation, but it is now being opened for non-school related events. Ms. Word expressed concerns about students trying to beat the buses to get out of the parking lot on Lower Road.

Mr. Michael Drake, 662 Halteman Road, addressed the significant increase in traffic and his concern for safety along Halteman Road. The Moyer and Halteman Road intersection is only a stop one way and Halteman Road is a 35-mph unlined road in the Township near a school zone with weight limits and is not ideal. There is no curbing or widening on Halteman Road.

Mr. Dave Moyer, 623 Halteman Road, asked if the School District does submit land development can the Board force them to put in sidewalk.

Ms. Eileen Danko, 626 Halteman Road, informed the Board that the exit traffic goes left and right and that backs up traffic. The driveway is 20 feet from her bedroom window. She wants the Board to realize that parents only have to deal with this during their kids' school years and residents will have to deal with this forever.

Mr. Steven Tucillo, 640 Halteman Road, suggested some type of security to stop the speeding and that the exit was not designed for traffic going both ways, it is not wide enough.

Ms. Nancy Welby, 175 Morwood Road, raised concerns about traffic.

APPROVAL OF THE OCTOBER 20, 2025 REGULAR MEETING MINUTES

Supervisor Fazio motioned for the approval of the minutes from the October 20, 2025, meeting. It was seconded by Supervisor Halteman, and all voted in favor, 5-0.
