

# FRANCONIA TOWNSHIP CLEAN-UP DAY

Saturday, May 16, 2026

The Franconia Township Board of Supervisors has designated Saturday, **May 16, 2026** as Clean-Up Day. Any Franconia Township resident may dispose of normal household trash at the **J.P. Mascaro and Sons, Inc. Transfer Station located on Lower and Wile Roads between 7:00 a.m. and 11:45 a.m. on May 16, 2026**. There is no cost for this service.

**Prior registration is required**, in person, at the Franconia Township Municipal Office between 9:00 a.m. and 3:00 p.m. **beginning, Monday, April 13, 2026**. Participants will be required to specify a time and to briefly describe the character of the items to be disposed. The Township will issue a registration ticket for disposing the materials at the transfer station. Participants will enter the transfer station at the Wile Road gate on the date scheduled and will present their registration ticket at the scale house, along with their valid driver's license that shows a Franconia Township address. Instructions will be provided about disposing the materials at the gate.

For safety and insurance reasons, the Mascaro firm has stated that no children under the age of eighteen (18) years will be permitted on site.

Normal household trash may include old appliances and "white goods" such as old dishwashers or washing machines. Also, J.P. Mascaro **WILL** accept the following: refrigerators, freezers, dehumidifiers, and air conditioners with condenser and coils removed. White goods should have tag on them showing Freon was drained already (HVAC company does this). They **WILL NOT** accept electronics such as televisions, computers, monitors and keyboards. Any construction debris such as old roof materials or broken masonry material, grass clippings, motor oil, tires, paint, hazardous materials and car parts **WILL NOT** be accepted for disposal.
